Webinar on EduEnvi piloting results

Time: Tue 31st March at 12:00-13.30 **UTC +3h, Moscow time**

Zoom link: <https://tuni.zoom.us/j/7717026478>

The webinar is organized by the Erasmus+ CBHE project EduEnvi, Enhancing Competences of Sustainable Waste Management in Russian and Kazakh HEIs.

During the autumn 2019, pilots of 20 online courses on sustainable waste management developed in EduEnvi have been carried out. The leader university of the Piloting work is Al-Farabi Kazakh National University.

In the webinar results from the online course pilots will be presented and concrete case examples will be shared. The webinar is open for all interested stakeholders. The language of the webinar is English. The webinar will be recorded.

Tutorials for using the zoom programme can be found from here: <https://support.zoom.us/hc/en-us/articles/206618765-Zoom-Video-Tutorials>
